

School Uniform

St John's Lutheran Primary School has a school uniform that each student is expected to wear. It is mandatory that all students have the required uniform as outlined below.

We believe uniform:

1. Encourages students to take pride in their appearance
2. Eliminates competition in what students wear
3. Ensures that all students enter the classroom on equal grounds
4. Is the most economical way to outfit students for their school life.

Summer Uniform

The summer uniform is worn predominantly during Terms 1 and 4, although students are encouraged to dress to suit the weather. Students are to wear their summer sports uniform on their designated PE day.
