Child Safety Standards

St John's Lutheran Primary School Ltd.'s Policy

Child Safety Codes of Conduct

Our Child Safety Codes of Conduct include a Child Safety Code of Conduct and a Staff and Student Professional Boundaries policy. Together, these Codes of Conduct set boundaries and expectations for appropriate behaviours between adults in our School community and students, including in physical, online and virtual environments.

We also have a Student Child Safety Code of Conduct, which includes standards of behaviour for students relevant to child safety and wellbeing.

Our Child Safety Codes of Conduct include clear processes to report inappropriate behaviour. We publish our Child Safety Codes of Conduct on our public website so that everyone can easily find out what behaviours are acceptable and unacceptable at our School and how to report inappropriate behaviour.

We also provide additional information to students and families about the Child Safety Codes of Conduct, to ensure that they know what behaviours are acceptable and unacceptable and how to report inappropriate behaviour.

Cultural Safety

At St John's Lutheran Primary School Ltd, we are committed to establishing an inclusive and culturally safe School where the strengths of Aboriginal and Torres Strait Islander culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal and Torres Strait Islander students, we recognise the link between culture, identity and safety and actively create opportunities for Aboriginal and Torres Strait Islander students, their families and their communities (including local Aboriginal communities relevant to the School) to have a voice and presence in our School's planning, policies, and activities.

We actively seek to include students in decisions that affect them. This includes decisions about organisational planning, delivery of services, management of facilities, and learning and assessment environments.

We ensure that students know about their rights to safety, information and participation. We actively seek to understand what makes students feel safe in our School and regularly communicate with students about what they can do if they feel unsafe.

We recognise the importance of friendships and encourage respectful relationships, strong friendships and support from peers.

Parent/Carer, Family and Community Engagement at the School

The School recognises that parents and carers have the primary responsibility for the upbringing and development of their children. We ensure that they participate in decisions affecting their children.

We ensure that families and relevant communities (Aboriginal and Torres Strait Islander communities, culturally and linguistically diverse communities, other communities that make up our Staff and student cohort, and the local community in which our School operates) know about the School's operations and policies, including its Child Safe Policy and the Child Safety Codes of Conduct, record keeping practices, risk management, and complaints and investigation processes.

We actively seek to include families and relevant communities in decisions about organisational planning, delivery of services, management of facilities, and learning and assessment environments.

We build cultural safety at the School through partnerships with relevant communities.

The specific strategies that we have adopted to promote the engagement of parents/carers, families, and relevant communities in child safety and wellbeing at the School, to make information about child safety and wellbeing available and accessible, and to implement all of the above obligations, are set out in the Family and Community Involvement in Child Safety policy in our Child Safety Program.

Any person, including all Staff, Volunteers, Contractors, parents/carers and students, can at any time report concerns about the wellbeing of a child aged under 17 to Child Protection by:

- during business hours (8:45am-5:00pm, Monday to Friday), contacting the Child Protection intake service for the local government area where the child resides, listed [here](#).
- after hours, telephoning 13 12 78.

Staff

Our Child Safety Program provides detailed guidance for School Board members, Staff, Volunteers and Contractors on how to identify key indicators of child abuse and other harm and how to report child safety incidents or concerns internally at the School.

These reports can be made to a Child Protection Officer or the Principal.

Where the incident or concerns involves the Principal, internal reports should instead be made to the Chair of Board.

Our Child Safety Program also contains detailed guidance for Staff, Volunteers and Contractors about when and how to report child safety incidents or concerns to relevant external authorities.

We recognise that some individuals, particularly children, face additional vulnerabilities to child abuse and other harm, as well as additional barriers to disclosing child safety incidents or concerns. Our Child Safety Program provides guidance on identifying additional vulnerabilities and barriers, and contains strategies for supporting these individuals to participate in the School community and enabling them to disclose child safety incidents or concerns to the School.

Students, Parents/Carers and Community Members

The School provides **students** at the School with information about and encourages them to use multiple pathways to raise child safety incidents or concerns about or at the School. We explain these in our Child Safety Complaints Management policy, and they include informal and formal ways, an 'anonymous' way, and through external child advocacy or child safety organisations.

Parents/carers, family members and other community members who have child safety concerns or who suspect that a child or young person associated with the School may be subject to abuse or other harm can contact:

- the Principal
- the School's Principal, by phoning 03 5523 3833 or emailing tpritchard@stjohnsportland.vic.edu.au

Any person can also contact the Board Chair, or the Principal if they have concerns regarding the School's leadership in relation to child safety.

Communications will be treated confidentially on a 'need to know basis'.

The School's Response to and External Reporting of Child Safety Incidents or Concerns

Our Child Safety Program sets out the procedures, consistent with PROTECT Four Critical Actions and Four Critical Actions: Student Sexual Offending, that the

School will follow for any child safety incident or concern involving a student, School Staff, Volunteer, Contractor or Visitor, or other person connected to the School or the School environment.

It also provides guidance for all Staff, Volunteers and Contractors on their obligations to respond to and report, to relevant external authorities, child safety incidents and concerns.

These procedures and guidance are summarised in our public-facing Child Protection –Reporting Obligations: St John's Lutheran Primary School Procedures for Responding to and Reporting Child Safety Incidents or Concerns and public-facing Procedures for Managing Child Safety Incidents or Concerns At or Involving the School or its Staff, Volunteers or Contractors.

Support for Students, Families and Staff Following Child Safety Incident or Disclosure

Child safety incidents or concerns can cause trauma and significantly impact on the mental health and wellbeing of children, as well as on their families. In addition to reporting and referral to the relevant authorities, the School plays a central role in addressing this trauma and has a duty of care to ensure that students feel safe and supported at School.

The School employs a range of measures to support students affected by a child safety incident or concern depending on the particular circumstances of the matter and of the student and their family:

- Child Protection Officers will work with the student and their family to develop a Student Support Plan
- support strategies that could be considered for students and/or their families might include offering or organising referrals to internal or external support, such as the School Counsellor, bi-cultural workers and/or translators, or an external support agency and/or child advocacy organisation which specialises in supporting children and young people impacted by abuse or other harm.

The School offers former students who may disclose historical child safety incidents or concerns from their time at the School similar support.

Witnessing a child safety incident or receiving a disclosure of abuse or other harm can be a distressing experience for Staff, Volunteers and Contractors

involved. The School assists impacted Staff, Volunteers and Contractors to access necessary support.
