

School Uniform

St John's Lutheran Primary School Ltd has a school uniform that each student is expected to wear. It is mandatory that all students have the required uniform as outlined below. Please visit St John's Front Office Uniform Shop for purchasing of school uniforms.

We believe uniform:

1. Encourages students to take pride in their appearance.
2. Eliminates competition in what students wear.
3. Ensures that all students enter the classroom on equal grounds.
4. Is the most economical way to outfit students for their school life.
